Rajiv Gandhi National Institute of Youth Development

The Rajiv Gandhi National Institute of Youth Development (RGNIYD), Sriperumbudur, Tamil Nadu, is an Institute of National Importance by an Act of Parliament No. 35/2012 under the Ministry of Youth Affairs and Sports, Government of India. The RGNIYD was set up in 1993 under the Societies Registration Act, XXVII of 1975. The Institute functions as a think-tank of the Ministry and premier organization of youth-related activities in the country. As the apex institute at the national level, it works in close cooperation with the NSS, NYKS and other youth organizations in the implementation of training programmes. The Institute is a nodal agency for training youth as a facilitator of youth development activities in rural, urban as also tribal areas.

RGNIYD endeavours to facilitate the nation's youth with a conducive environment and tools that will enable them to make the most of their natural potential to realize their aspirations. The Institute functions as

vital resource centre coordinating training, research, orientation, extension and outreach initiatives for state and central governments and national level youth organizations. As a national level documentation and information dissemination centre on youth development, the Institute undertakes research and evaluation studies which help in formulating policies and programmes to cater to the current needs and aspirations of the youth.

The RGNIYD serves as a youth observatory and depository in the country thereby embarking on youth surveillance on youth-related issues. It has a wide network with various organizations working for the welfare and development of young people and serves as a mentor.

RGNIYD offers inter-disciplinary, multi-dimensional, field-based expertise in the following areas through training, faculty exchange and consultancy:

- Formulation of Youth Policies and Programmes
- Training of Trainers/Capacity Building
- Preparation of Core Training Material and Facilitators' Manuals
- Enhancing Employability Skills of Youth
- Diagnostic and Impact Assessment Studies
- Action Research and Extension Services
- Monitoring and Evaluation Studies
- Client-based and Demand-driven Training Programmes
- Academic Programmes in Youth Work
- Inter-disciplinary Research Programmes specialising in Youth Work
- Youth Exchange Programmes
- Study and Exposure Visits
- International Exchange of Faculties and Students

The Institute has besides the Administrative Division, the following eight divisions each under a Faculty Head:

- Training, Orientation and Extension Division (TOE)
- Research, Evaluation and Documentation/Dissemination Division (READ)
- Panchayati Raj and Youth Affairs Division (PRIYA)
- International Centre for Excellence in Youth Development Division (ICEYD)
- Social Harmony and National Unity Division (SHANU)
- Youth and Adolescent Health and Development Division (YAHD)
- Vocational Training and Entrepreneurship Division (VTED)
- Gender Equity Division (GED)

The Hon'ble Union Minister of Youth Affairs and Sports, Government of India, Shri. Ajay Maken introduced the Rajiv Gandhi National Institute of Youth Development Bill, 2011 in the Lok Sabha on December 21, 2011 to convert the Rajiv Gandhi National Institute of Youth Development (RGNIYD) into an institution of national importance. Towards recommending this conversion, the Ministry of Youth Affairs and Sports, Government of India constituted a Mentor Group to assess the present nature of the programmes and activities being undertaken by RGNIYD and to suggest a road map for RGNIYD to emerge as an Institution of National Importance. As a sequel to this effort, the RGNIYD Bill was passed on 21st May 2012 in the Lok Sabha and on 9th August 2012 in Rajya Sabha. The RGNIYD Act of Parliament received the assent of the President of India on the 30th August 2012 and came into force on 19th November 2012.

As an apex Institution of higher learning in Youth Studies, RGNIYD offers the following five Master's Degree Programmes (Two-year duration):

- M. A. Youth Empowerment
- M. A. Life Skills Education
- M. A. Career Counselling
- M. A. Gender Studies
- M. A. Local Governance

These five M. A. Programmes offered by RGNIYD are the first of their kind in the country and are unique in terms of content and structure. Adopting an interdisciplinary approach, equip the students with competencies and theoretical knowledge about youth work and contemporary issues. A judicious blend of scholarly pursuit and field practicum, each M.A. Programme moulds the learners into professionals in youth development.

Vision statement

As the apex national agency for youth development, the Institute will strive to develop into a globally recognised and acclaimed centre of academic excellence in the field of youth development, fully responsive to the national agenda for inclusive growth, and the needs and aspirations of young people of the country to realise their potentials to create a just society.

Mission statement

The Institute will seek to realise its Vision by:

Third Lecture of the RGNIYD's Eminent Speaker Series

22 June, 2012

The Rajiv Gandhi National Institute of Youth Development (RGNIYD), Sriperumbudur, Tamil Nadu organized the third lecture of its Eminent Speaker Series at its premises. About 200 participants, which include youth pursuing various courses including law from various universities, colleges, institutions from different parts of the country, law professionals, legal services authorities, heads of colleges and educational institutions, principals and headmasters, teachers from various schools including the Vice Chancellor and Faculty Members of the Dr. Ambedkar Law University, Chennai participated in the programme.

The purpose of the programme was to create an appropriate platform for the youth through interaction with prominent leaders and icons in various fields. This endeavour was also to facilitate the youth to realize their potential and unleash their creativity through exchange of innovative ideas, with an ultimatum to transform the young people as 'world ready youth' to face contemporary challenges. This series was launched at RGNIYD by Dr. A. P. J. Abdul Kalam during 2010.

Padma Shree. Dr. N. R. Madhava Menon, the architect of the five-year integrated LL.B. Programme in India and the Founder Vice-Chancellor of the National Law School of India University, Bangalore and the National University of Juridical Sciences, Kolkata delivered the third lecture of the RGNIYD's Eminent Series on the theme 'Education for Responsible Citizenship.

Pointing out to the Constitutional provisions, particularly on the right to education, he remarked that lack of education breeds various social problems and called for strategies to strengthen the educational facilities at all levels. He outlined how the Constitutional provisions have united the Indians belonging to diverse backgrounds together. He recalled the slogan

of Dr. Bhimrao Ambedkar – “Educate, Organise and Agitate which is still the right mantra for democracy”. He insisted that it was the duty of every citizen to know the rights and responsibilities delineated by the Constitution. This knowledge on each right as enshrined in the Constitution makes life worth living, he added. Speaking on the different dimensions of citizenship, he enlisted the 11 Constitutional values and responsibilities for the citizens.

3 Research and Extension Projects

During the year under report, the PRIYA Division of RGNIYD undertook an action research project titled “Mainstreaming Youth in Local Governance”. In 27 states and one Union Territory, one of the village Panchayat/ Gram Panchayat/Village Council from each state was selected for the pilot study and reputed ICSSR Institutions/ academic institutions /development organisations from each state was collaborated for the operationalization of the project. As part of the research, conduct of a youth status study, the needs, concerns, issues, problems and priorities of youth from the study area were collected. In addition, efforts were made to map the initiatives and interventions for youth development by the local

government/ other organisations in the area. Efforts were undertaken to formulate the framework for taking up youth budgeting at the local level in the study areas. The study resulted in bringing several tangible and intangible benefits to the society in general and youth in specific. The study resulted in realising, revisiting, refining, redefining and rejuvenating the measures adopted in the selected areas for mainstreaming youth in local governance. It is expected that such micro level studies have the latent potentials towards achieving ‘good governance at the grassroots with more active involvement and participation of youth.

A. CAG Audit Report

Separate Audit Report of the Comptroller & Auditor General of India on the Accounts of Rajiv Gandhi National Institute of Youth Development, Sriperumbudur for the year ended 31 March 2013

1. We have audited the attached Balance Sheet of Rajiv Gandhi National Institute of Youth Development, Sriperumbudur as at 31 March 2012, the Income & Expenditure Account and Receipts & Payment Account for the year ended on that date under Section 20(1) of the Comptroller & Auditor General's (Duties, Powers & Conditions of Service) Act, 1971. The Audit has been entrusted for the period upto 2013-2014. These financial statements are the responsibility of the Institute's management. Our responsibility is to express an opinion on these financial statements based on our audit.
2. This separate Audit Report contains the comments of the Comptroller & Auditor General of India (CAG) on the accounting treatment only with regard to classification, conformity with the best accounting practices, accounting standards and disclosure norms, etc. Audit observations on financial transactions with regard to compliance with the Law, Rules & Regulations (Propriety and Regularity) and efficiency-cum-performance aspects, etc., if any are reported through Inspection Report/CAG's Audit Reports separately.
3. We have conducted our audit in accordance with auditing standards generally accepted in India. These standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements. An audit includes examining, on a test basis, evidences supporting the amounts and disclosure in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of financial statements. We believe that our audit provides a reasonable basis for our opinion.
4. Based on our audit, we report that:
 - i. We have obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purpose of our audit.
 - ii. In our opinion, proper books of accounts and other relevant records have been maintained by Rajiv Gandhi National Institute of Youth Development, Sriperumbudur as required in the rules and regulations of the Institute in so far as it appears from our examination of such books.
 - iii. We further report that:

A. Balance Sheet

1.1. Schedule – 6 – Current Assets – Rs. 19.98 Crore

- i. Non-inclusion of Grants accrued and due (sanctioned in March 2013 but received in April 2013) in the accounts of 2012-13 has resulted in understatement of Income and understatement of Current Assets to the tune of Rs. 2.01 crore.
- ii. Grants were received under National Programme for Youth and Adolescent Development (AHDP) every year on instalment basis for the year 2011. The Institute has shown AHDP Claim receivable of Rs. 22,02,847 as against Rs. 42,19,203 resulting in understatement of Current Assets and Income to the tune of Rs. 20,16,356.
- iii. An amount of Rs. 2,65,736 paid towards renewal of annual journal subscription pertaining to two accounting years (2012-13 and 2013-14) were booked under the revenue head 'Newspaper and periodicals'. The booking of entire expenditure of Rs. 2,65,736 in the accounts of 2012-13 has resulted in overstatement of Expenditure and understatement of Current Assets – Prepaid expenditure to the tune of Rs. 2,00,476.
- iv. An amount of Rs. 17,70,622 was shown under Schedule 6 – Current Assets – Electricity Deposits. However, the interest accrued for the year 2012-13 to the tune of Rs. 1,59,360 has not been included in the interest of income for the year 2012-13 as well as under Schedule 5 – Current Assets – Accrued Interest. The non-disclosure of accrued EB deposit interest has resulted in understatement of Current Assets as well as understatement of income to the tune of Rs. 1,59,360.

B. Income and Expenditure Account

2.1 . Interest Income – Schedule – 8 – Rs. 0.67 Crore

An amount of Rs. 1,04,611 accrued as interest on the deposits made during February 2013 was not accounted for the year 2012-13, resulting in understatement of Income as well as Current Assets to the tune of Rs. 1.05 lakh

2.2. Administrative Expenditure – Schedule – 11 – Rs. 3.53 Crore

Non-accounting of outstanding expenditure (due but not paid) as on 31.03.2013 viz. water charges, security charges, repairs & maintenance charges, overtime allowances, has resulted in understatement of Expenditure as well as Current Liabilities- Outstanding Expenditure to the extent of Rs. 13.28 lakh.

C .Grants-in-aid

Out of the grants-in-aid of Rs. 26.30 crore received during the year 2012-13, and Rs. 5.61 crore being unspent balance of the previous year, the Institute could utilize only a sum of Rs. 13.09 crore leaving a balance of Rs. 18.81 crore as at 31st March 2013.

D. Management letter

Deficiencies which have not been included in the Audit Report have been brought to the notice of Rajiv Gandhi National Institute of Youth Development, Sriperumbudur through a management letter issued separately for remedial / corrective action.

- iv. Subject to our observations in the preceding paragraphs, we report that the Balance Sheet, Income & Expenditure Account and Receipt & Payment Account dealt with by this report are in agreement with the books of accounts.
- v. In our opinion and to the best of our information and according to the explanations given to us, the said financial statements read together with the Accounting Policies and Notes on Accounts, and subject to the significant matters stated above and other matters mentioned in Annexure to this Audit Report give a true and fair view in conformity with accounting principles generally accepted in India.
 - a. In so far as it relates to the Balance Sheet, of the state of affairs of Rajiv Gandhi National Institute of Youth Development, Sriperumbudur as at 31 March 2013; and
 - b. In so far as it relates to Income & Expenditure Account, the surplus for the year ended on that date.

B. Auditor's Report

INDEPENDENT AUDITOR'S REPORT

We have audited the accompanying statements of **Rajiv Gandhi National Institute of Youth Development**, which comprise the Balance Sheet as at March 21, 2013, and the Income & Expenditure Account for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation of these financial statements in accordance with the principles prescribed in India. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation of the financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performance procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depends on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Institute's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes valuating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the financial statements, of Rajiv Gandhi National Institute of Youth Development for the year ended March 31, 2013 subject to Notes on accounts and Management Report, are prepared, in all material respects, in accordance with the generally accepted accounting principle followed in India.

Schedule 14 - Significant Accounting Policies

1. Basis of Preparation of Financial Statements

The financial statements are prepared in accordance with “Generally accepted Accounting Principles” followed in India under the historical cost convention on the mercantile basis.

2. Government Grants

Institute has both restricted and unrestricted grants

Grant received towards Plan, Non-Plan Expenditure and Grants received for Specific programmes have been routed through the Income & Expenditures Account. Capital Grants received have been accounted in the capital fund and unspent balance have been carried forward in the Balance Sheet separately.

3. All known Incomes and Expenses are recognised based on accrual method.

4. Fixed Assets & Depreciation

Fixed assets are carried at cost of acquisition less depreciation, Depreciation has been provided on the Written down value method as per the rate prescribed in the Income Tax Act, 1961.

Cost of acquisition is inclusive of inward freight, duties and incidental and direct expenses related to the acquisition.

5. Retirement Benefits

Liability towards retirement benefits payable to employee has not been provided.

RAJIV GANDHI NATIONAL INSTITUTE OF YOUTH DEVELOPMENT

2012-13

Schedule 15-Notes on Accounts

1. Contingent Liabilities

The dispute with M/s. Saravana Contractors Private Ltd., the building contractors is still pending in the Court and orders are still awaited. There is a possibility to pay the compensation to the contractor upon completion of pending dispute. Total compensation awarded by the arbitrator is 1.43 crores (excluding interest).

2. Grants

During the year Institute has received the following grants

- a) PLAN – Rs. 17.60 Crores
- b) NON-PLAN – Rs. 1.70 Crores
- c) Other Grants – Rs. 6.98 Crores

During the year the Ministry has sanctioned Rs. 2.01 Crores towards Plan Expenditure, however the same was not received as on 31.03.2013, hence the grant has not been accounted. The Grant was subsequently received in the financial year 2013-14.

3. Programme advances

The Institute's policy is to provide advances to programme organisers (both employee & other institutions) for conducting various programmes. After completion of programmes, the Institute receives expenditure settlements from the programme organisers and getting the same settled. However there are advances which are pending for more than 10 years for want of expenditure statements and supporting documentary evidences from the concerned persons. However during the year the Management has decided to clear such advances by obtaining utilisation certificates from the concerned persons without obtaining any supporting documents (Vouchers, Invoices etc.).

Pending advances as on 31.03.2013 are as follows:

- a). Programme Advances – Rs. 1,33,02,165/-
- b). Other Advances (For Administrative Expenses) – Rs. 13,83,342/-

However, the above advances are cleared off after obtaining utilisation certificate from the concerned persons and such adjustment entries passed in the financial year 2013-14.

4. Taxation

Since, the Institute has been registered under 12AA of the Income Tax Act, 1961, the computation of Income has been prepared based on the actual Receipts & Payments Account (on Receipt Basis) as prescribed u/s11 of the Income Tax Act, 1961. There will be no tax liability and hence no provision has been made towards taxation.

5. Previous year's figures have been regrouped /reclassified wherever necessary to confirm to current year's classification.

Management Report for the year 2012-13

The Annual Accounts, Vouchers, Bank Statements and other details pertaining to the financial year 2012-13 furnished to us were audited by us and our observation are detailed hereunder and subject to the Management Report, Audit Report has been issued.

Audit observation

1. Details of Grants received and expenditures incurred:

The Rajiv Gandhi National Institute of Youth Development receives Grants-in- Aid every year from Ministry of Youth Affairs & Sports under Plan (for activities such as Training Programmes, Research projects, Up gradation of infrastructure for promotion of youth welfare, etc.) and Non-plan Head (for recurring expenditure of the INSTITUTE). The year wise grant and expenditure statement for the past five years since 2005-06 is given below:

A. PLAN:

Year	Grant received Rs.	Expenditure* Rs.	Balance Rs.
2005-06	3,25,00,000	4,90,00,392	(165,00,392)
2006-07	3,00,00,000	5,33,40,953	(233,40,953)
2007-08	8,00,00,000	4,97,90,246	302,09,754
2008-09	9,65,00,000	9,41,81,758	23,18,242
2009-10	8,45,00,000	8,21,06,328	23,93,672
2010-11	9,00,00,000	7,59,09,822	1,40,90,178
2011-12	9,90,00,000	6,36,21,603	3,53,78,397
2012-13	19,62,32,000	6,25,12,744	13,37,19,256

* Expenditure includes Programme, Consturction and Additions to Fixed Assets.

B. NON-PLAN

Year	Grant received Rs.	Expenditure* Rs.	Balance Rs.
2005-06	65,00,000	86,41,724	(21,41,724)
2006-07	32,50,000	45,36,826	(12,86,826)
2007-08	32,50,000	74,29,301	(41,79,301)
2008-09	100,00,000	86,73,884	13,26,116
2009-10	100,00,000	1,64,27,588	(64,27,588)
2010-11	90,00,000	2,14,63,698	(124,63,698)
2011-12	90,00,000	1,63,48,335	(99,93,892)
2012-13	1,70,00,000	2,24,17,168	(54,17,168)

From the above it may be seen that grants received under PLAN schemes are underutilized and excess of expenditure over grant assistance is incurred under NON-PLAN. This excess expenditure was met by diverting funds from PLAN grants, which is in contravention of the conditions specified at the time of releasing the grant.

2. Internal Control

Management of the INSTITUTE is responsible for implementing effective Internal Control over its activities. Based on our review and observation there is a weakness in internal control in the following areas and the management may take up initiatives to improve such areas.

- Sanction of Advances & Settlement of Programme Expenditure
- Co-ordination between the departments and the administration at the time of conducting the programmes.
- There is no specific guidelines for claim to Travelling expenses.
- There is prescribed limit for Honorarium paid to resource persons for the programmes organised by RGNIYD. (Both for internal and outsourced resource persons)
- In certain cases, the INSTITUTE has sanctioned funds to certain organisations for conduct of programmes. The organisation while submitting their expenditure statements, have not obtained the certificate from Chartered Accountants which was followed till last year. Hence, it is suggested to instruct the programme organising institutions to submit the expenditure statement duly certified by a chartered accountant or a firm of Chartered Accountants.
- Certain payments have been made by the INSTITUTE which attracts tax deduction as source, whereas the INSTITUTE has not deducted tax on such items (details of such payments are separately included in para no. 9)
- APP programme:

There is no system of maintaining DCB (Demand, collection and balance) with regard to Academic programme incomes on a regular basis. However statement provided by the APP division with regard to the total fees received during the year is not matching with the Books of account maintained by the IN-

STITUTE. Hence, it is suggested to implement maintenance of proper records with regard to APP division.

3. MEDICAL REIMBURSEMENT

In respect of Medical Reimbursement, there no limit fixed for claim made by the employees. The Limit may be fixed for the future years so as to have the control over medi-claim reimbursements.

For the year 2012-13, the details of the programme conducted were provided on a scheme wise basis which are produced below:

Scheme	No. of Programmes
READ	29
VTED	22
SHANU	30
PRIYA	45
TOE	57
YAHD	34
GED	39
ICEYD	22

The above list has been updated up to February 2013 as informed by the INSTITUTE. From the above it is evident that the INSTITUTE is performing sufficient programmes every year.

5. ACADEMIC PROGRAMME AT POST GRADUATE LEVEL-NON COLLECTION OF TUITION FEE, MESS CHARGES, ROOM RENT ETC.

From the Academic year 2008-09, the INSTITUTE has commenced five regular

Post Graduate Programmes. Hostel accommodation with mess facility has also been provided to the students Rs. 2,40,241/- is outstanding as on 31.3.2013 towards the Fees.

During the year APP fees schedule was produced to us during the audit. However, the schedule given to us did not tally with the books of accounts. This difference may be reconciled.

6.ADVANCES PENDING FOR MORE THAN 10 YEARS

It is in practice to give advances to the staff for conducting the seminars/training programmes. But the advances drawn were not settled for months/years together. This is being pointed out by us repeatedly every year. There is no internal control in respect of these advances which need to be monitored on the frequent basis and a control system could be developed by the INSTITUTE to reduce the pending advances.

- The pending advances as on 31.03.2013 is
 - a. Programme advances – Rs. 1,33,02,165/-
 - b. Other advances (For Administrative Expenses) – Rs. 13,83,342/-

In view of the failure to take proper follow up action for settlement, the advances account was showing an OUTSTANDING BALANCE OF Rs. 1,98,16,228/- as on 31.03.2013

It may be seen that large sums of advances drawn to meet the programme related expenses are outstanding since 2000 onwards. This was pointed out in our earlier reports also. Steps may be taken in this regard to recover the advances and the same may be placed before the Executive committee for their information and orders.

However during the year Management has decided to clear such advances by obtaining utilization certificates from the concerned persons without obtaining any supporting documents (Vouchers, invoices etc.). This needs to be approved/ratified by the Executive Council. As a result during the year 2013-14 the advances outstanding have been brought down to 16,64,103/-

7. PRINTING, PURCHASE OF STATIONERIES AND INTERNAL CONTROL:

The purchase of Stationeries were carried out independently by the Training Officers for conducting the Seminars/ workshops instead of centralised purchase. It is suggested that an effective system may be implemented towards the same.

8. INTERNAL AUDIT

Since, the INSTITUTE's transactions are increasing day by day and the internal controls are weak, it is suggested that internal audit may be introduced to give reports to the Management on a monthly or quarterly basis so that procedural lapses could be rectified by the INSTITUTE then and there. Due to the absence on internal audit on a number of procedural lapses were noticed like advances pending settlement for more than 10 years, heavy arrears towards tuition fee and hostel charges, non availability of DCB system, non finalization of tenders for purchase of stationery and printing etc.

9. TAX DEDUCTED AT SOURCE:

The tax deducted at source have been remitted to the treasury, however there was some non deduction of tax on certain payments. It is suggested to monitor all the payments which are attracting TDS. Tax may be deducted and remitted within due dates in order to avoid penalty under Income Tax Axt, 1961.

- The following payments have been made without deducting tax at the applicable rates:

Vr. No.	Date	Party/Purpose	Amount
1060	17/10/2012	Advertisement	510692/-
		Advertisement	71280/-
1030	12/10/2012	Rental Charges	399850/-
1918	04/03/2013	Advertisement	268800/-

10. BANK RECONCILIATION STATEMENT

Bank reconciliation statements in respect of all the bank accounts as on 31.03.2013 have been verified and tallied. However the following bank accounts have been inoperative and accounts statements have not been produced to us for audit, hence we are unable to verify the balances as on 31.03.2013 and the Audit Report is subject to the above.

1. Canara Bank – A/c No. 36042
2. Indian Bank – A/c No. 20886
3. SBI – A/c No. 10962454311

11. VERIFICATION OF CASH

We have physically verified the cash balance with the petty cash Register and the same was found correct.

12. HOUSE RENT ALLOWANCE AND CCA-NOT RECOVERED:

The AG Audit had pointed out that HRA was fixed at the rates applicable for Metropolitan area at 30% instead of 7.5% /10% applicable for other areas including Sriperumbudur, where the INSTITUTE is functioning, and it directed to recover Rs. 31.27 lakhs made during the period from 2006-07 to 2009-10. On verification, it was observed that no recovery was effected till date for the reason that the fixation made already has been referred to the Govt. for ratification and final orders are awaited. In view of this, it is suggested that HRA & CCA may be refixed immediately as per the Rules applicable till final orders are received in this regard and subject to that Audit has been completed.

13. FIXED DEPOSITS

Fixed deposit confirmation and interest confirmation certificate has not been obtained from the concerned bank, hence we are unable to verify the correctness of the same. And interest accrued as on 31.03.2013 has not been provided and subject to that Audit has been completed.

14. CONSTRUCTION ADVANCES

During the previous financial year Rs.6.11 lakhs had been given to TWAD Board towards construction of water tank inside the RGNIYD Campus, whereas the work completion certificate has not been produced to audit. The work was completed and advance paid has been capitalised during the year under audit.

Further, advances paid to CPWD for construction of buildings, have been capitalized based on the final work completion certificate issued by CPWD which resulted in refund due to the INSTITUTE
