PREAMBLE

Indian youth are a vast human resource and in view of their large numbers the question of tapping their enormous potential has assumed great importance. In this backdrop the growing need for project designing, planning, implementing and monitoring youth development programmes necessitated the establishment of the Rajiv Gandhi National Institute of Youth Development (RGNIYD) at Sriperumbudur by the Ministry of Youth Affairs and Sports, Government of India in 1993.

The RGNIYD was registered under Societies Registration Act, XXVII of 1975 S.No.67 of 1993. The Institute was set up to serve as a nodal agency for training youth functionaries and youth as facilitators of youth development activities in the country. It worked closely with the Youth Organisations viz., NSS and NYKS of the Ministry of Youth Affairs and Sports and other Government and Non-Government Organisations implementing training programmes on youth development.

RGNIYD plays multi-faceted roles in the following areas:

To evolve and achieve an integrated approach to youth development for preparing and empowering the youth for the future, by –

1. Training of Trainers/Capacity Building
2. Preparation of Core Training Material and Facilitator's Manuals
3. Enhancing Employability Skills of Youth
4. Diagnostic and Impact Assessment Studies

5. Action Research
6. Monitoring and Evaluation Studies
7. Client-based and Demand-driven Training Programmes
8. Academic Programmes in relation to Youth Development
9. Inter-disciplinary Research in Youth Development
10. Youth Exchange Programmes
11. Study and Exposure Visits

The Ministry of Human Resources Development (Department of Higher Education, Government of India) had, on the recommendation of the University Grants Commission, declared Rajiv Gandhi National Institute of Youth Development (RGNIYD), Sriperumbudur, Tamil Nadu as a "Deemed-to-be University" under section 3 of the UGC Act, 1956 under the "De Novo Category" vide its notification No. F.9-3/2006-U.3 (A) dated 23 October 2008. Academic programmes at Master's Degree level and Doctoral programme in the sphere of youth development were introduced in 2008 and 2010 respectively. The academic research programmes were initiated to complement with training and outreach programmes.

Later in 2012, it was elevated as an Institute of National Importance by the Act of Parliament No.35/2012, with a vision of achieving excellence in the field of youth development.

As an Institute of National Importance, the Institute functions with the Vision, Mission and Objectives as indicated below:

Launching of National Youth Policy 2014 and Rajiv Gandhi Khel Abhiyan

21 February 2014, RGNIYD

The National Youth Policy (NYP) 2014 and the Rajiv Gandhi Khel Abhiyan (RGKA) were launched at RGNIYD on 21st February 2014 by Shri. Sudhir Kumar, who also highlighted the salient features of NYP 2014 and RGKA and flagged off the Rally comprising of 1500 student youth drawn from 18 educational institutions in and around Sriperumbudur from RGNIYD to Rajiv Gandhi Memorial via Sriperumbudur Town and Bus Terminus to disseminate the highlights of the NYP and RGKA. The rally was led by Shri. V. Subash, Shri. V. Hari Prasad and Ms. J. Sreevidhya who set the world record by climbing the Mount Everest from Lukla to Everest Base and Camp Lukla in less than five days covering 5500 meters (approx).

The Joint Secretary to the Government of India, Ministry of Youth Affairs was present during the occasion. Faculty and students of various Colleges and youth functionaries participated in the programme.

The vision of NYP-2014 aims at empowering the Indian youth to achieve their fullest potential, and through them enable India to find its rightful place in the comity of nations. Towards achieving this vision, the Policy delineates five well-defined objectives and 11 priority areas besides suggesting policy interventions in each priority area. The priority areas include education, skill development and employment, entrepreneurship, health and healthy lifestyle, sports, promotion of social values,

community engagement, participation in politics and governance, youth engagement, inclusion and social justice.

The Rajiv Gandhi Khel Abhiyan has been launched with the objectives to include promotion of sports as a way of life among the youth, increase access to sports facilities throughout the country, conduct sports competitions across the country to identify talent and to encourage achievement of excellence in sports. The scheme envisages over 6500 sports complexes in every rural block of the country wherein, each sports complex will have 11 outdoor and 5 indoor games including multi gym, three sports trainers, sports equipment worth Rs.15 lakh, provision for self-defence training, particularly for women and a facility housing the youth resource centre.

At block level Rs.1 lakh, at District level. Rs.4 lakh, at State level Rs. 2 lakh for each district and at national level Rs.10 lakh will be provided respectively for sports discipline to conduct competitions for identifying the talent. Each sports complex will be built at a cost of Rs.1.75 crores on a fast track basis. RGKA is a unique scheme which provides convergence of various governmental schemes viz., MGNREGA, NLCP-Central, ACA for LWE and RGKA.

Inauguration of Central Library and Foundation Stone Laying of the New Academic & Residential Complex

04 March 2014, RGNIYD

3. Research and Documentation

Research

The PRIYA Division of RGNIYD undertook an action research project titled “Mainstraming Youth in Local Governance” in 27 States and one Union Territory during the year 2012-13. The project was continued during the year 2013-14. The research project envisaged identification of one village Panchayat/Gram Panchayat/Village Council from each of the 27 state for the pilot study and for collaboration with reputed ICSSR Institutions/ academic institutions /development organisations from each state to operationalize the project.

As part of the research, conduct of a youth status study, the needs, concerns, issues, problems and priorities of youth from the study area were collected. In addition, efforts were made to map the initiatives and interventions for youth development by the local government/ other organisations in the area. Efforts were undertaken to formulate the framework for taking up youth budgeting at the local level in the study areas. The study resulted in bringing several tangible and intangible benefits to the society in general and youth in specific. The study resulted in realising, revisiting, refining, redefining and rejuvenating the measures adopted in the selected areas for mainstreaming youth in local governance. It is expected that such micro level studies have the latent potentials towards

achieving ‘good governance at the grassroots with more active involvement and participation of youth.

Ph.D PROGRAMMES

5. Annual Accounts

INDEPENDENT AUDITOR'S REPORT

P. PALANI & CO.
Chartered Accountants

To
The Director,
Rajiv Gandhi National Institute of Youth Development,
Chennai -

We have audited the accompanying financial statements of **Rajiv Gandhi National Institute of Youth Development**, which comprise the Balance Sheet as at March 31, 2014, and the Income & Expenditure Account for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation of these financial statements in accordance with the Principles prescribed in India. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation of the financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Institute's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes valuating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the financial statements, of **Rajiv Gandhi National Institute of Youth Development** for the year ended March 31, 2014 subject to Notes on accounts and Management Report, are prepared, in all material respects, in accordance with the generally accepted accounting principle followed in India.

Schedule 14 - Significant Accounting Policies

1. Basic of Preparation of Financial Statements

The financial statements are prepared in accordance with "Generally Accepted Accounting Principles" followed in India under the historical cost convention on the mercantile basis.

2. Government Grants

Institute has both restricted and unrestricted grants.

Restricted grants are funds which are to be used in accordance with specific restrictions given at the time of grant.

Grant received towards Plan, Non-Plan Expenditures and Grants received for Specific programmes have been routed through the Income & Expenditures Account. Capital Grants received have been accounted in the capital fund and unspent balances have been carried forward in the Balance Sheet separately.

3. All known Incomes and Expenses are recognised based on accrual method.

4. Fixed Assets & Depreciation

Fixed assets are carried at cost of acquisition less depreciation. Depreciation has been provided on the Written down value method as per the rate prescribed in the Income Tax Act, 1961.

Cost of acquisition is inclusive of inward freight, duties and incidental and direct expenses related to the acquisition.

Institute had purchased a Land at a cost of Rs. 36,26,970/-. Depreciation has been provided including the Land cost in the earlier years, hence the land cost has been separately disclosed and the difference depreciation has been revised during the current year.

5. RETIREMENT BENEFITS

Liability towards retirement benefits payable to employee has not been provided.

SCHEDULE 15 - NOTES ON ACCOUNTS

1. CONTINGENT LIABILITIES

The dispute with M/s. Saravana Contractors Private Ltd, the Building contractors is still pending in the Court and orders are still awaited. There is a possibility to pay the compensation to the contractor upon completion of the pending dispute. Total compensation awarded by the arbitrator is Rs. 1.43 crores (excluding interest).

2. GRANTS

During the year Institute has received the following grants :

a) PLAN - Rs. 3.46 Crores

b) NON-PLAN - Rs. 1.70 Crores

c) Other Grants

i. Construction of Library - Rs. 10.00 Crores

ii. SC Sub Plan - Rs. 3.24 Crores

iii. ST Sub Plan - Rs. 1.64 Crores

iv. NE Region - Rs. 1.66 Crores

3. PROGRAMME ADVANCES

The Institute's policy is to provide advances to programme organizers (both employees & other institutions) for conducting various programmes. After completion of programmes; the Institute receives expenditure settlements from the programme organizers and getting the same settled. There were advances pending from earlier years for want of expenditures statements and supporting documentary evidences from the concerned persons. However during the previous year the Management has decided to clear such advances by obtaining utilization certificates from the concerned persons without obtaining any supporting documents (Vouchers, invoices etc).

Accordingly, as per the direction of management during the year, Institute has adjusted such advances by obtaining self utilization certificate from Organizers and other Institutes who had received advances for conducting various programmes.

Institute should either obtain vouchers with original bills or utilization certificate which is duly authenticated by Chartered Accountant and ensure that fund had been utilized as per the directions given by the Institute.

Pending advances as on 31.03.2014 are as follows :

a) Pending Advances - Rs. 96,35,096/-

b) Other Advances (For Administrative Expenses) - Rs. 6,56,537/-

**Separate Audit Report of the Comptroller & Auditor General of India on the
Accounts of Rajiv Gandhi National of Youth Development,
Sriperumbudur for the year ended 31 March 2014**

We have audited the attached Balance Sheet of Rajiv Gandhi National Institute of Youth Development, Sriperumbudur as at 31 March 2014, Income & Expenditure Account and Receipts & Payments Account for the year ended on that date under Section 19 (2) of the Comptroller & Auditor General's (Duties, Powers & Conditions of Service) Act, 1971 read with Section 28(2) of the Rajiv Gandhi National Institute of Youth Development Act 2012. These financial statements are the responsibility of the Institute's management. Our responsibility is to express an opinion on these financial statements based on our audit.

2 This Separate Audit Report contains the comments of the Comptroller & Auditor General of India (CAG) on the accounting treatment only with regard to classification, conformity with the best accounting practices, accounting standards and disclosure norms, etc. Audit observations on financial transactions with regard to compliance with the Law, Rules & Regulations (Propriety and Regularity) and efficiency-cum-performance aspects, etc., if any are reported through Inspection Report/CAG's Audit Reports separately.

3 We have conducted our audit in accordance with auditing standards generally accepted in India. These standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements. An audit includes examining, on a test basis, evidences supporting the amounts and disclosure in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of financial statements. We believe that our audit provides a reasonable basis for our opinion.

4 Based on our audit, we report that :

- i We have obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purpose of our audit.
- ii In our opinion, proper books of accounts and other relevant records have been maintained by Rajiv Gandhi National Institute of Youth Development, Sriperumbudur as required in the rules and regulations of the Institute in so far as it appears from our examination of such books.
- iii We further report that :

A Balance Sheet

1 Current Assets - Cash & Bank balance Rs 6.84 crore

New Pension Scheme and Contributory Provident Fund accumulations not accounted in the Balance sheet - Rs 105.05 lakh

Balance available in Bank Accounts pertaining to Contributory Provident Fund (CPF) and New Pension Scheme (NPS) funds as on 31.3.2014 was Rs 105.05 lakh.

The above balances have not been accounted in the annual accounts resulting in understatement of assets (current assets - Bank balances) and understatement of liabilities (Earmarked fund - retirement benefit funds) to the tune of Rs 105.05 lakh.

2 Current liabilities - Rs 52.77 lakh

Non provision of Interest on CPF/NPS contributions - Understatement of current liabilities and expenditure (CPF/NPS fund) - Rs. 15.36 lakh

Non provision of Interest payable on CPF and NPS accumulations which works out to Rs 15,36,348 for the period 2008-09 to 2013-14 in the accounts had resulted in understatement of current liabilities as well as expenditure to the extent of Rs 15.36 lakh.

B. Income & Expenditure Accounts

Depreciation Rs. 2.81 crore

The Institute has not classified the buildings as 'residential' and 'non-residential'. The Institute has provided depreciation at the rate of 10% uniformly on all types of buildings. Thus the incorrect application of depreciation rates on buildings has resulted in overstatement of depreciation and understatement of fixed assets - Buildings.

Other income Rs. 16.78 lakh

Grants of Rs. 4,85,710 was received from the Ministry towards reimbursement of expenditure incurred for a specific programme which was already conducted by the Institute. Hence the grant was to be accounted under 'Earmarked fund - SAARC Youth Camp'. However the Institute has accounted the reimbursement Grants for SAARC as 'Other Income' in the Income and Expenditure Account for the year 2013-14 resulting in Overstatement of Income to that extent.

C General

Non apportionment of interest earned to the respective grants

The Institute has received Rs 11,70,00,000 during the year 2013-14 for various purpose such as Plan, Non-Plan, SC Sub Plan, ST Sub Plan and Youth Development Programme for North East Region.

As per the ledger, Rs 82,08,312 received as interest from the above grants has been accounted as income in the Income and Expenditure Account. Interest earned by the above grants have not been apportioned to the respective grants.

D Management letter

Deficiencies which have not been included in the Audit Report have been brought to the notice of the Rajiv Gandhi National Institute of Youth Development, Sriperumbudur through a management letter issued separately for remedial/corrective action.

E Grants-in-aid

Out of the grants-in-aid of Rs. 21.73 crore received during the year 2013-14, internal receipts of Rs. 1.12 crore and Rs 18.81 crore being unspent balance of the previous year (totaling Rs 41.66 crore), the Institute could utilize only a sum of Rs 34.16 crore leaving a balance of Rs 7.50 crore as at 31st March 2014.

iv Subject to our observations in the preceding paragraphs, we report that the Balance Sheet, Income & Expenditure Account and Receipts & Payments Account dealt with by this report are in agreement with the books of accounts.

v In our opinion and to the best of our information and according to the explanations given to us, the said financial statements read together with the Accounting Policies and Notes on Accounts, and subject to the significant matters stated above and other matters mentioned in Annexure to this Audit Report give a true and fair view in conformity with accounting principles generally accepted in India;

a. In so far as it relates to the Balance Sheet, of the state of affairs of Rajiv Gandhi National Institute of Youth Development, Sriperumbudur as at 31st March 2014 and

b. In so far as it relates to Income & Expenditure Account, the deficit for the year ended on that date.
