## 1. DIRECTOR'S MESSAGE

During the year 2015-2016, the RGNIYD and its Regional Centre, Chandigarh upscaled the range and coverage of academic and training programmes. The Institute organised 423 training, capacity building programmes, workshops and seminars covering 39,663 participants on various youth related topics of contemporary relevance in 28 states and 4 Union Territories. Rigorous efforts were undertaken to strengthen the academic endeavours by thoroughly revisiting the syllabi of all the post graduate programmes by Boards of Studies constituted for various departments and was approved by the Academic Council. Two flagship post graduate programmes viz., M. Sc. in Counselling Psychology and M. A. Social Innovation and Entrepreneurship were launched by the Institute. Efforts were also taken to design M.A. Social Work with specialization in Youth and Community Development and Post Graduate Diploma in Youth Development to be offered by the Institute during the ensuing year.

The Institute organised a series of lectures under the Aakanksha Lecture Series. The special lecture on 'Turning Unemployment to Entrepreneurship: Motivating Indian youth for social Business' and a workshop on 'Social Business' was organized which was facilitated by Prof. Mohammad Yunus, Nobel Laureate and Founder, Grameen Bank, Bangladesh.

Various national seminars viz., Trends in Counselling across Life Span, Empowering Adolescent Girls: Understanding Realities and Expanding Capabilities and the 2nd Annual National Seminar on Youth Development were organised by various departments of the Institute to widen the horizon of theory and practice. The Institute also jointly organised the Indian Youth Science Congress and the International Seminar on Agriculture and Rural India after economic reforms in collaboration with the

M.S. Swaminathan Research foundation. The Institute played host to several foreign delegations, particularly, the Next Generation Global Leaders Program – Ship for World Youth 2015 as designated by the Ministry of Youth Affairs and Sports, Government of India, besides organizing various international programmes.

The Institute established collaborations with leading organisations in the country to enrich the youth development programmes and to broaden the reach of the programmes of the Institute across the country and inked MoUs. The Institute during the year undertook various research/action research studies independently and in collaboration with other leading organisations in the country.

The Centre on Integrated Rural Development for Asia and the Pacific (CIRDAP), Dhaka, Bangladesh has nominated RGNIYD as a member of CIRDAP Technical Committee – Observer for a period of two years which is an important milestone.

With the patronage and support of the Ministry of Youth Affairs and Sports, the Executive Council, Academic Council and other statutory bodies of the Institute, the Institute was able to undertake several innovative initiatives.

The Annual Report 2015-2016 provides a brief description of various programmes and activities conducted in consonance with the National Youth Policy 2014 through the Institute and its various field partners. With the continued support of the Ministry, Administration, Faculty and Students of RGNIYD, Experts and Practitioners in Youth Development, the Institute will contribute proficiently to the youth development sector in the country.

## 4. ACADEMIC PROGRAMMES

Various efforts were undertaken to strengthen the academic endeavours of the Institute, during the year.

The following section provides a brief write-up of the academic programmes presently offered by the Institute and other academic activities carried out during the period.

### 4.1. Academic Programmes of RGNIYD

During the period, the Institute offered the following Post-Graduate programmes (2014-16 Batch):

- M.A. Youth Empowerment
- M.A. Career Counselling
- M.A. Gender Studies
- M.A. Local Governance
- M.A. Life Skills Education and
- M.A. Development Practice.

The PG programmes offered for 2015-17 Batch are as follows:

### M.Sc. Counselling Psychology

The PG Programme in Counselling Psychology offered by RGNIYD has strong roots in theory and contemporary practice commensurate to the profession. The programme enables the students to diagnose the problems of the clients scientifically and employ the therapeutic techniques and counselling skills during the counselling process together with ethical considerations. This cutting edge programme allows the students to choose their areas of specialization with inbuilt theory-practice

nexus. The students are provided with opportunities for field practicum, internships, case works, institutional visits and supervised skill training in each domain of specialization in counselling viz., school, adolescent, career, family and work place. The students could secure lucrative employment openings in educational institutions, corporates/industries, hospitals, adolescent and adult rehabilitation centres, NGOs, family and child care centres, legal sectors besides embarking on private practice, and as consultants to various organisations besides careers in teaching and research.

### M.A. Gender Studies

The Master's Degree Programme in Gender Studies aims to fulfil the professional requirements of gender specialists in the development sector with a multi centric and development approach with diverse specialisations. The course is judiciously balanced with strong theoretical foundations drawn from feministic scholarship, conceptual framework of gender issues built upon empirical knowledge and skill based courses with hands-on experience. The students of Gender Studies shall embark on an intellectual odyssey, a journey of two years, during which they will be ingrained with theoretical and methodological perspectives in the first semester, exposed to the conceptual issues in the second semester, imbibed with analytical and application orientation in the third semester, and capacity building with requisite skills for developing and implementing women development programmes/ projects in the fourth Semester.

---

The unique feature of the programme lies in the introduction of application and skill based papers such as Gender Budgeting and Auditing, Gender Analysis & Mainstreaming, Gender Planning and Development, and Gender Training. The inbuilt training component in the curriculum and value added thematic workshops conducted will enable the learners to become trainers in gender sensitisation and specialists in Gender Planning and Development.

### **M.A. Local Governance and Development**

This programme structures multi-dimensional and inter-sectoral knowledge-base for strengthening Local Government Institutions and development organisations. The curriculum enables the youth to analyse the dynamics of decentralized governance and to equip them with the requisite skills towards realising local economic development and social justice. The new trends in the field like E-Governance, Common Property Resource Management, Public Policy, Sustainable Cities, Disaster & Risk Management, Evaluation of Programmes & Projects, Constituency Management, etc. are also incorporated in the programme. It empowers the learner to apply the principles of 'Horizontal Learning' to identify, share and adapt the best practices, to achieve 'good governance at the grassroots'. Thematic workshops, learning journey, internships, field-based studies, social laboratory, experiential learning, etc. add value to the programme and enhance the employability of the learners in diverse work settings.

### **M.A. Development Policy and Practice**

M.A. Development Policy and Practice is launched in recognition of the need for the quality professionals in the development sector. The course is designed to break new ground, drawing extensively from the wide range of theoretical perspective, issues and practices with alternative possibility. The overarching framework of the programme encompasses the canvass of key approaches, methodologies and methods. The pedagogic methods in the class room learning are entwined with the field immersion that provides immense opportunity for field tested learning. On the completion of the course, the students will be imbibed with substantive knowledge in development perspectives, issues and methodologies. This programme, with its value added thematic workshops and specialized training enhances the employability of the students as professionals in the development sector in diverse settings.

### **M.A. Social Innovation and Entrepreneurship**

The purpose of postgraduate degree in Social Innovation and Entrepreneurship is to provide students with a new orientation and way of thinking to organise and lead sustainable development through social entrepreneurship. It is a distinctive programme, structured to prepare the students professionally for meaningful social engagement by reflecting on the issues of unemployment by setting new patterns and possibilities for employment generation through social innovation and entrepreneurship. The programme provides

extensive use of case studies, field immersion oriented learning, enabling students to explore new analytical frameworks and the latest research within a context of social entrepreneurship. Students will build skills through group interaction in case discussions, simulations and team exercises and have opportunities to apply what they learn from class room to real world social business challenges.

In addition, the Institute launched the B.Voc. programmes in Fashion Design & Retail, and Apparel Manufacturing and Entrepreneurship in collaboration with the ATDC, Ministry of Textiles, Govt. of India.

#### **4.1.2. Bachelor's Degree Programmes**

##### **B.Voc. Programmes in Fashion Design & Design and Apparel Manufacturing and Entrepreneurship**

Indian Textile and Apparel Industry has been growing significantly over the last many years and contributing to significantly to India's GDP and serves as the second largest employment providing sector next to agriculture. In the current scenario, the Apparel & Textile Sector plays a key role in the country's growth and economic development. The categories of jobs available in this sector are based on creativity, technology and management. The workforce required for Apparel Sector requires key competencies/ capabilities which facilitate not only innovative responses to market pressures, but also flexible adaptation to unstable and rapidly changing markets. With this backdrop, RGNIYD has introduced the Bachelor's Degree Programmes – B.Voc. in Fashion Design and Retail

and Apparel Manufacturing and Entrepreneurship. These programmes are offered through a tripartite agreement among RGNIYD, Apparel Training and Design Centre (ATDC) and Institute of Apparel Management (IAM).

Further, efforts were undertaken to design an exclusive Post Graduate programme -M.A. Social Work with specialization in Youth and Community Development. In addition, attempts were made to formulate PG Diploma programme in Youth Development to be launched in collaboration with reputed academic institutions and other organisations during 2016-17.

#### **4.1.3. Doctoral Programmes**

Ph.D. programmes (Full time and Part Time) are being offered by the institute since 2011. Presently, six full time scholars and ten part-time scholars have been enrolled for Ph.D. programme in the Institute.

#### **4.2. Statutory Academic Bodies**

Departmental Boards have been duly constituted as per the Academic Ordinances. Meetings of Departmental Boards were conducted during the year to design, finalise and recommend the Syllabus to Academic Council for its approval. In certain cases, consultation workshop on curriculum development were also organised prior to the meeting of the Departmental Board. Subsequent to the meeting of the Departmental Boards, the Academic Council was held on 09 October 2015 to ratify the revised Syllabus recommended by the respective Boards.

## 11. Annual Accounts

**Separate Audit Report of the Comptroller & Auditor General of India on the Accounts of Rajiv Gandhi National Institute of Youth Development, Sriperumbudur for the year ended 31 March 2016.**

We have audited the attached Balance Sheet of Rajiv Gandhi National Institute of Youth Development, Sriperumbudur as at 31 March 2016, Income & Expenditure Account and Receipts & Payments Account for the year ended on that date under Section 19(2) of the Comptroller & Auditor General's (Duties, Powers & Conditions of Service) Act, 1971 read with Section 28(2) of the Rajiv Gandhi National Institute of Youth Development Act 2012. These financial statements are the responsibility of the Institute's management. Our responsibility is to express an opinion on these financial statements based on our audit.

2. This Separate Audit Report contains the comments of the Comptroller & Auditor General of India (CAG) on the accounting treatment only with regard to classification, conformity with the best accounting practices, accounting standards and disclosure norms, etc. Audit observations on financial transactions with regard to compliance with the Law, Rules & Regulations (Propriety and Regularity) and efficiency-cum-performance aspects, etc., if any are reported through Inspection Report/CAG's Audit Reports separately.

3. We have conducted our audit in accordance with auditing standards generally accepted in India. These standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements. An audit includes examining, on a test basis, evidences supporting the amounts and disclosure in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of financial statements. We believe that our audit provides a reasonable basis for our opinion.

4. Based on our audit, we report that:

- i We have obtained all the information and explanations except records mentioned in point No.C, which to the best of our knowledge and belief were necessary for the purpose of our audit.

- ii The Balance Sheet, Income & Expenditure Account and Receipts and Payments Account dealt with by this report have been drawn up in the Uniform format prescribed by Ministry of Finance, Government of India.
- iii In our opinion, proper books of accounts and other relevant records have been maintained by Rajiv Gandhi National Institute of Youth Development, Sriperumbudur as required in the rules and regulations of the Institute in so far as it appears from our examination of such books.
- iv We further report that:

**A. Balance Sheet**

**Application of Funds**

**Contributory Pension Fund – Rs.35,88,277/-**

**National Pension Scheme – Rs.18,78,580/-**

An amount of Rs.35.88 lakh and Rs.18.79 lakh disclosed towards 'Contributory Pension Fund' and 'National Pension Scheme' respectively under application of funds are not reconciled with ledger balance or bank deposits/investments, etc.,

According to guidelines given in Uniform format of accounting for preparation of financial statements, the transactions of GPF/CPF/NPS of employees are not to be included in the financial statements of the Institute. Separate Balance sheet, I&E account and R&P account may be prepared for these transactions and the same may be appended as attachment to institute main financial statements. However, it was noticed that such separate accounts were not maintained by the Institute. Further, there are differences in liabilities and assets with regard to CPF & NPS transactions shown in 2015-16 institute balance sheet when compared to actual liabilities/assets as per records available in the institute.

**B. Income & Expenditure Account****Income – Rs.14,75,59,089/-****Expenditure – Rs.16,35,95,114/-**

The institute has been accounting the transactions of grant received under North East scheme, SC sub plan and ST sub plan under 'earmarked funds'. According to the guidelines given in Uniform format of accounting, if transactions of any grant are accounted as an 'earmarked fund, the receipts to the fund and expenditure out of such earmarked fund have to be accounted in the respective fund separately under schedule-3 and the balance if, any has to be disclosed under liabilities in Balance Sheet. The transactions of earmarked fund thus are not to be routed through Income & Expenditure Account.

Contrary to the above, the institute has accounted the grants amounting to Rs.6.64 crore (North East scheme - Rs.2.00 crore, SC sub plan - Rs.3.00 crore and ST sub plan - Rs.1.64 crore) received during the year and expenditure amounting to Rs.4.80 crore (North East scheme - Rs.1.97 crore, SC Sub Plan – Rs.1.95 crore and ST Sub Plan - Rs.0.88 crore) in the Income & Expenditure account.

This has resulted in overstatement of income by Rs.6.64 crore and expenditure by Rs.4.80 crore resulting in understatement of excess of expenditure over income by Rs.1.84 crore. Further, ledger accounts for this expenditure were not made available to audit.

**C. General**

i) The bank balance as per Canara Bank Account No.1 under current assets (Sch-7) is modified in revised accounts as Rs. (-) 26,097/- instead of Rs. (-) 12,97,357/- shown in pre-revised accounts. However, the ledger copy of the cash book for the revised account is not furnished to Audit. Hence, the correctness of the bank balance could not be ensured.

program and expenditure on the same is not incurred by the end of financial year, it has to be disclosed under current assets in balance sheet. Without getting the bills for advance spent on programmes, it is not to be accounted as expenditure.

#### **D. Effect of Revision in Accounts**

The accounts of the Institute were revised based on audit comments, which resulted in the following:

- a. Assets & Liabilities in Balance Sheet were increased by Rs.6.68 crore. (Seven transactions)
- b. Income increased by Rs.0.20 crore (four transactions) and expenditure decreased by Rs.0.12 crore (six transactions) resulted in Deficit in Income & Expenditure Account decreased from Rs.2.22 crore to Rs.1.90 crore.

#### **E. Management letter**

Deficiencies which have not been included in the Audit Report have been brought to the notice of the Rajiv Gandhi National Institute of Youth Development, Sriperumbudur through a management letter issued separately for remedial/ corrective action.

#### **F. Grants-in-aid**

Out of the grants-in-aid of Rs.23.00 crore received during the year 2015-16, and Rs.11.00 crore being unspent balance of the previous year (totaling Rs.33.00crore), the Institute could utilize a sum of Rs 32.60 crore leaving a balance of Rs. 0.40 crore as at 31<sup>st</sup> March 2016.

- v. Subject to our observations in the preceding paragraphs, we report that the Balance Sheet, Income & Expenditure Account and Receipts & Payments Account dealt with by this report are in agreement with the books of accounts.

vi. In our opinion and to the best of our information and according to the explanations given to us, the said financial statements read together with the Accounting Policies and Notes on Accounts, and subject to the significant matters stated above and other matters mentioned in Annexure to this Audit Report give a true and fair view in conformity with accounting principles generally accepted in India;

a. In so far as it relates to the Balance Sheet, of the state of affairs of Rajiv Gandhi National Institute of Youth Development, Sriperumbudur as at 31<sup>st</sup> March 2016 and

b. In so far as it relates to Income & Expenditure Account, the deficit for the year ended on that date.

### **Annexure**

**1 Adequacy of Internal Audit System:**

Internal Audit of the institute for the year 2015-16 is not conducted as needs to be completed in time bound manner.

**2 Adequacy of Internal Control System:**

The Institute had no Accounts Manual. There is no proper system to settle the advances given for various programs within the time limit after completion of program. Many program advances are pending for more than three years. To this extent we observe that the Internal Control System is deficient.

**3 System of Physical verification of Fixed Assets and Inventory:**

Physical verification of fixed assets & inventory is done for the year 2015-16.

**4 Regularity in payment of statutory dues:**

The Institute was regular in depositing statutory dues with the appropriate authorities.
