6. The tenders submitted by Fax and Email and any delay in transits would not be considered. No further correspondence will be entertained on this matter.
7. Any Government organization/ undertaking should not have blacklisted the firm. Incomplete tenders in any respect will be summarily rejected by the Institute.
8. The bidder shall bear all costs associated with the preparation and submission of the bid. The Purchaser will, in no case, be responsible or liable for these costs, regardless of the conduct or outcome of the bidding process.
9. The RGNIYD has the right to accept or reject any or all the quotations at its sole discretion without assigning any reason.
10. The firm selected will not be allowed to exit from the agreement. In case they do so, the security deposit would be forfeited and company will be black listed for future business with the Institute.
11. The tender shall contain all details about supply, installation & service capability, experience, number of qualified service engineers, service centres with technical resources available for the support services, and other information as per conditions to qualify for evaluation of bid. Those who do not qualify the pre-qualification conditions shall be summarily rejected. The RGNIYD reserves the right to accept or reject any or all quotations without assigning any reason.
12. The Excise duty, Sales Tax, VAT etc. as applicable should be quoted separately in absence of which it will be presumed that these are included in the rates and RGNIYD shall have no liability to pay these charges extra.
13. The supplier shall be required to deposit an amount of 10% of the total value of the tender as security deposit immediately on acceptance of Work Order in the form of demand draft of nationalized bank/scheduled bank only in favour of Director, RGNIYD, payable at Sriperumbudur-602105. No interest shall be paid on such security deposit, which shall remain with Institute during the continuance of the contract and it shall be released only 45 days after the expiry or termination of the contract, subject to clearance of all dues by the supplier.
14. If the services are found not up to the mark the security deposit may be forfeited.
15. The contract can be terminated summarily by this office at any time without giving any notice and without assigning any reason, if the work of the supplier is found unsatisfactory during the period of this contract. In this connection the decision of the competent authority of RGNIYD shall be final and binding on the firm.
16. The successful tenderer will have to sign an Agreement with the Institute on a non-judicial stamp paper of Rs.100/- after taking over the contract and the stamp paper may be provided by the successful bidder.
17. Generally successful bidder shall have to Supply, installation, configuration and commissioning of Items and Comprehensive warranty should be provided by the vendor.

TERMS AND CONDITIONS

1. The equipment supplied under the contract shall conform to the standards prescribed in the Technical Specifications and any upgrades required for this shall be the bidder's responsibility.
2. The supplier shall clearly indicate the details such as brand name, OEM, specifications, arrangements for warranty/support etc. For software packages supplied, the bidder shall

I accept the above conditions

(Full signature of the supplier with seal)

ensure legality of the copies supplied and also ensure supply of complete set of original documentation issued by the original suppliers.

3. The supplier shall not obliterate the original markings of the OEM so as to enable easy reference to the documentation by the Purchaser.
4. The Supplier shall indemnify the Purchaser against all third-party claims of infringement of patent, trademark or industrial design rights arising from use of the equipments or any part thereof in RGNIYD.
5. Completion of Supply, installation, configuration and commissioning of items shall be done within 90 days from the supply order date.
6. **Penalty of 5% of the total value** of the order will be imposed if the product not supplied and installed fully within the said period.

SCOPE OF COMPREHENSIVE MAINTENANCE (Labour/On-Site/Spare)

7. The supply of equipment includes corrective as well as preventative maintenance. The Preventative Maintenance work will be carried out every three months once.
8. Maintenance service shall be made available to the supplier on all working days of RGNIYD Regional Centre during working hours between 09.30 Hrs to 18.00 hours.
9. In case any problem occurs, the firm has to depute qualified service engineer who will have to inspect and solve the problem and if it is required additional man power or expert support then the vendor has to provide such facility to rectify the issue at free of cost within the stipulated time period.
10. If the problem is not able to rectify at site, the equipment may be brought to service centre and the transit cost will not be provided by Institute. A stand by equipment shall be provided by the vendor. In this regard, no additional payment for providing standby or any logistic expenses.
11. Ordinarily, complaints received from customer during working hours should be attended/ rectified within 48 Hours and if complaint is not rectified within 48 hrs, then the standby have to be provided by the vendor immediately. **If not, penalty of Rs.250/- per day shall be levied from next day onwards. This is limited up to 45 days only after that the contract will be terminated.**
12. If the equipment/component is unable to service/repair, then the vendor has to replace with brand new unused equipment/component in same make/brand with same specification or higher shall be supplied and installed. In this regard, the RGNIYD Regional centre decision is final.
13. After the completion of comprehensive warranty and AMC period, all the scheduled items in the tender document will be handed over to RGNIYD in working condition.
14. The supplier shall warrant that the items supplied under this contract are new, unused, of the most recent and current models and incorporate all recent improvements in design and materials unless provided otherwise in this contract.
15. The vendor shall undertake to supply, installation, commissioning & comprehensive maintenance and ensure uninterrupted operations for the duration of comprehensive warranty /AMC and beyond as envisaged in the tender.

I accept the above conditions

(Full signature of the supplier with seal)

16. Whenever the vendor is not the manufacturer, he shall produce documentary evidence of support from the manufacturer wherever applicable, which enables him to discharge such responsibility.
17. The supplier shall further warrant that the items supplied under this contract shall have no defect arising from design, materials or workmanship (except insofar as the design or material is required by the Purchaser's specifications) or from any act or omission of the supplier, that may develop under normal use of the supplied items in the conditions obtaining in the country of final destination.
18. The supplier shall also warrant that the items supplied shall perform satisfactorily as per the requirements provided for in this contract.
19. The supplier shall also provide the following warranties: The items proposed are complete in all aspects. The specification, capabilities and performance characteristics are as stated in the bidder's proposal and accompanying documentation. The supplier shall offer to the Purchaser all technological updates, cost reductions and facilities, which are offered to other clients, in India, during the currency of the contract.
20. Warranty/AMC shall be for FREE on-site comprehensive maintenance from the date of installation & working and acceptance of the items to the satisfaction of the Purchaser.
21. Downtime shall commence from the time of initial notification of the vendor that maintenance is required.
22. The warranty period will be calculated from the date of 100% of completion of supply, installation and commissioning of the work.
23. If any defects be not rectified within a reasonable time, the Purchaser may proceed to do the work at the supplier's risk and expense but without prejudice to any other rights which the Purchaser may have against the supplier in respect of such defects.
24. The supplier shall make replacement (same original spares/equipments) free of all charges at site including freight, insurance and other incidental charges under this warranty clause.

PAYMENT TERMS

1. **1st payment of 90% will be paid** on completion of Supply of all scheduled items in the tender completely.
2. **2nd payment of 10% will be paid** on successful completion of installation, configuration and commissioning of scheduled items. For release of payment of this instalment satisfactory working report from the IT Section is required.
3. **Security deposit will be released** after the 45 days of on successful completion of comprehensive warranty/AMC. In case any problem in the service or supplied items having issues it will not be returned until the rectification/replacement of equipment as per the terms and conditions.
4. No payment shall be made for the goods/ ordered item rejected at the site of testing.

PRICES

5. Prices charged by the Supplier for Supply, installation, configuration and commissioning of delivered and service performed under the Contract shall not be higher than the prices quoted by the Supplier in his Bid.
